Greenfield :
FRANKLIN BOOK AND JOB PRINTING OFFICE,
1872.

WE take pleasure in presenting to our Customers, our NEW ILLUSTRATED CATALOGUE AND INVOICE PRICE LIST of Mechanics' tools. Invoice numbers have *not* been altered from our List of 1869.

We give special attention to the selection and packing of goods designed for shipment. Our Moulding Planes are all made of first quality second growth split timber, thoroughly seasoned. Our premium Bench Planes are also made of split timber and straight grained, well seasoned and dry before being made up. All our work is done by good mechanics. Tools made from samples or drawings, on short notice. The Planes are all put up in good strong manilla paper and labeled.

We wish to call the attention of dealers to our *Plane Irons* which are proving equal if not superior to the best stamps of English Irons. We warrant them to be of superior finish and uniform temper.

Goods will be delivered at the Railroad Depot free of charge for package or cartage, and Insurance effected on the same, if desired.—
Boxes at cost.

All orders will receive prompt attention, and should be addressed to the
